Kānehūnāmoku
Voyaging Academy

Aloha!

Kānehūnāmoku Voyaging Academy (KVA) is excited to bring our ʻOihana Holomoana (Maritime Career Pathways) program to your childʻs school. In this program students will be exposed to an exciting, dynamic, hands-on, literacy and STEM curriculum grounded in traditional Hawaiian voyaging culture. The goal of our program is to bolster academic achievement through the lense of the double-hulled sailing waʻa (canoe).

Our KVA team has worked closely with your child's school to develop a program unique to the needs of each classroom. In this program your child may receive the following services:

1. Classroom curriculum delivered by your childʻs classroom teacher and/or KVA staff,
2. Waʻa Field Trips focused on traditional navigational and sailing skills,
3. Waʻa Farm curriculum and field trips to learn about 18 canoe plants.

By filling out this form you are agreeing to allow your child to be a part of our program. Attached you will find two other forms.

Accident Waiver and Media Release Form: This is necessary for participation in both waa and farm field trips.

Evaluation Consent Form: This form is to allow us to collect data on your child's progress and participation in the program. If you decide to NOT sign this form, the above services will still be provided to your child.

If you have any questions please direct them to info@kanehunamoku.org . Mahalo nui loa!
